
The Institutional Logics Perspective Hardcover

patricia h. thornton and william ocasio - institutional logics patricia h. thornton and william ocasio introduction the phrase, 'institutional logic' has become somewhat of a buzz-word. buzz words are over used; as a result their meanings often get distorted and overextended and they burn-out of existence. mizruchi and fein (1999) showed in the institutional theory literature **institutional logics and public management** - the two logics continue to co-exist and that neither has become dominant. the institutional logic construct included in this section are discussions of; institutional logics as collective schemata, organizational change as a change in logics, and organizational politics and institutional logics. institutional logics as collective schemata **theorizing hybridity: institutional logics, complex ...** - doi: 10.1111/padm.12105 theorizing hybridity: institutional logics, complex organizations, and actor identities: the case of nonprofits chrisskelcherandstevenrathgebsmith **convergent institutional logics in public higher education ...** - bastedo / governing board activism 211 development and change (e.g., dimaggio & powell, 1991). more recently, the concept of institutional logics has allowed scholars to articulate the dominant theories of action underlying institutional processes (thornton & ocasio, in press). institutional logics are the "belief systems and associated practices **multiple institutional logics in organizations: explaining ...** - multiple institutional logics are present and thus reflect these different logics in their structures and practices (greenwood et al., 2011; kraatz & block, 2008). this is variable, however. in some cases one logic can be so dominant that it eclipses other logics, rendering them immaterial to organizational functioning, and in other **funding financial inclusion: institutional logics and the ...** - 1 funding financial inclusion: institutional logics and the contextual contingency of funding for microfinance organizations abstract microfinance is a promising tool for addressing the grand challenge of global poverty. **managed ecosystems and translucent institutional logics ...** - use institutional logics to present our propositions for understanding the practices, routines, beliefs, and capabilities necessary for successfully adopting the managed ecosystem governance model. in the discussion section, we explore the implications of this process and extensions to related areas. **institutional logics and institutional pluralism: the ...** - institutional logics and institutional pluralism: the contestation of care and science logics in medical education, 1967-2005 mary b. dunn the university of texas at austin candace jones boston college although most studies underscore institutional change as replacement of one dominant logic for another and **institutional logics and community service-learning in ...** - institutional logics and community service-learning a. taylor r. kahlke 140 orientations to move toward broader, field-level logics. community logics can thus "act as a filter for actors in a community to interpret and respond to pressures emanating from wider field-level logics" (lee & lounsbury, 2015, p. 848). **the multiplicity of institutional logics and the ...** - greenwood et al.: multiplicity of institutional logics and heterogeneity of organizational responses organization science, articles in advance, pp. 1-19, ©2009 informs 3 market," such as the ... **adapting to new institutional logics: the response of ...** - adapting to institutional logics: the response of spanish firms in the post-franco era abstract institutional logics guide social action. research has examined outcomes of logics, including organizational strategies and structures, and demonstrated they are historically contingent. less is known about the responses of organizations when logics ... **from cultural repertoires to institutional logics a ...** - logics is thus to find reliable methods for empirically establishing logics and for assessing their distinctiveness and coherence of over time. much of the extant research on logics in the institutional tradition has, however, treated the existence of logics as the starting point of analysis rather **the institutional logic of great global firms** - propositions about the role of humanistic institutional logic.7 (unattributed information or quotes in this paper are from the author's original research.) institutional logic holds that firms are a vehicle for accomplishing societal purposes and providing meaning for those who work in them, which cannot be calculated **the institutional logics of love: measuring intimate life** - 1 the institutional logics of love: measuring intimate life roger friedland, john mohr, henk roose and paolo gardinali forthcoming, theory and society 2014 does love follow an institutional logic?1 institutional logics have been applied to the study of organizational behaviors where changes are effected in public through the actions of office-
