# The Intellectuals And The Masses Pride And Prejudice Among The Literary Intelligentsia 1880 1939

**an anthology of western marxism** - sional category of the intellectuals, that is, one has in mind the direction in which their specific professional activity is weighted, whether toward intellectual elaboration or toward muscular-nervous effort. this means that, although one can speak of intellectuals, one cannot speak of non intellectuals, because nonintellectuals do not exist. **the opium of the intellectuals - monoskop** - the intellectuals' paradise - the intellectuals' hell chapter viii. the intellectuals and their ideologies the basic factors - the national debates - the japanese intellectuals and the french example - india and british influence chapter ix. the intellectuals in search of a religion economic opinion or secular religion - militants and **intellectuals and society - capitolreader** - intellectuals, by and large, tend to be ignorant about the fundamentals of economics. of course, this hardly dissuades them from pontificating on the subject. in particular, intellectuals have tended to focus on "income distribution" and the supposed injustices of capitalism. intellectuals insist that the gap between the rich and poor is ... **"what are intellectuals for?" - whc.yale** - "what are intellectuals for?" a panel discussion moderated by anastasia berg, editor of the point natasha lennard natasha lennard is a contributing writer ~or the intercept and author o~ being numerous: essays on non-fascist li~e jesse mccarthy editor o~ the point and assistant pro~essor o~ english and a~rican and a~rican american ... **the sociology of intellectuals - kurzman.unc** - the bourgeoisie produced its intellectuals, and the proletariat produced its own. bothsetsofintellectualswere"organic"totheextentthattherewasa"relationship between the intellectuals and the world of production" (p. 12). gramsci contrasted "organic" intellectuals with "traditional" intellectuals, exemplified by catholic **the intellectuals and socialism by f.a. hayek** - the intellectuals and socialism, by f.a. hayek the intellectuals and socialism by f.a. hayek [reprinted from the university of chicago law review (spring 1949), pp. 417-420, 421 -423, 425 -433, by permission of the author and the publisher, the university of chicago press; george b. de huszar ed., **intellectuals' self-awareness and the edwards of ...** - intellectuals' different self-understandings contribute to their development of different views on the people in society. and such different attitudes remarkably affect their ways of engaging their people in the specific cultural contexts. in the process of interactions, people's characters were established in their specific environments. **the affair or the state: intellectuals, the press, and the ...** - the affair or the state: intellectuals, the press, and the dreyfus affair abstract in his introduction to the age of revolution historian eric hobsbawm considers "a few english words which were invented, or gained their modern meanings, substantially in the period" between 1789 and 1848. the list **intellectuals, the new public spheres, and techno-politics ...** - modern intellectuals as legislators of universal values who legitimated the new modern social order to postmodern intellectuals as interpreters of social meanings, and thus theorizes a depoliticalization of the role of intellectuals in social life. i, however, want to make another distinction between functional intellectuals who serve to **representations of the intellectual - arizona state university** - the intellectuals is not the subtlety of his argument, nor his quite impossible absolutism when it comes to his totally 4**ibid.**, p. 52. representations of the intellectual 7 uncompromising view of the intellectual's mission. real intellectuals, according to benda's definition, are supposed to risk being burned at the stake, ostracized, or crucified. **sociology of intellectuals: a global perspective** - this course is intended as a survey of sociological studies of intellectuals from a global and comparative perspective. five fundamental questions will be addressed in this course: (1) who are the intellectuals? (2) do intellectuals constitute a class? (3) what role do/should intellectuals play in the social order? **cultural studies, public pedagogy, and the responsibility ...** - role that oppositional intellectuals might play within academia or reduced almost entirely to forms of learning that take place in schools. even when pedagogy is related to issues of democracy, citizenship, and the struggle over the shaping of identities and identifications, it is rarely taken up as part of a broader public **gramsci on hegemony, intellectuals, and ideology** - traditional and organic intellectuals •there is a world of difference between ideologies that are zarbitrary, rationalistic and willed and those that are organic, i.e., able to provide basis of an historical bloc •two kinds of intellectuals: -traditional intellectuals (appear independent of any class **the position of the intellectual in the 1950s: case ...** - the 1950s were a time when intellectuals were suffering attacks for their violation ofthe democratic belief in equality on an unprecedented level. for some intellectuals who sought greater equality among americans, the 1950s were a hostile time. the decade was one of conformity, and many americans demanded equality. people had to **intellectual culture: the end of russian intelligentsia** - intellectual culture: the end of russian intelligentsia dmitri shalin no group cheered louder for soviet reform, had a bigger stake in perestroika, and suffered more in its aftermath than did the russian intelligentsia. today, nearly a decade after mikhail gorbachev unveiled his plan to reform soviet society, the mood among russian intellectuals is
